

EIROdrive

BONUS PAYMENT APPLICATION

Please fill out part one and submit to EIRO Research. You may email to customer@EIRO.com or fax to 469.621.3317. If your qualification is verified, you will be notified and asked to complete part two.

APPLICANT INFORMATION – PART ONE

NAME (LAST, FIRST, MIDDLE) _____ ASSOCIATE ID NUMBER _____

ADDRESS _____ CITY _____ STATE _____ ZIP _____

EMAIL _____ PHONE _____

PLEASE READ THE EIRODRIVE CONDITIONS AND SIGN BELOW TO ACCEPT.

1. Bonuses will be paid in arrears, as with all other commission, meaning that the bonus will be paid after qualifications are met. For example, a senior executive who qualifies for a bonus in September will receive his/her first bonus with the monthly commission paid in November.
2. To qualify for a bonus, an associate must have 50% of required volume outside their largest team. For example, to qualify for a 5-series car bonus, an associate must have at least 50,000 TV with a minimum of 25,000 coming from outside the largest team and meet all other qualifications.
3. An associate must have five (5) active teams to be eligible to earn a car bonus.
4. To earn any car bonus, an associate must maintain the necessary rank in addition to meeting all other qualification criteria. (For example, a vice president who fails to qualify at vice president will not earn a bonus for a BMW 7-series or Porsche Carrera/Boxster but may qualify for a lower bonus.)
5. Associates will not receive bonuses for cars for which they have not qualified (e.g. a senior executive will not receive a bonus if a 5-series is leased, etc.).
6. Bonuses may be applied to more than one vehicle. However, only one bonus will be paid per account and for the level of vehicle for which the associate is qualified. Purchase or lease paperwork must be submitted for all vehicles. (Example: a BMW qualified executive director could lease/purchase two vehicles, but those vehicles must be either a 3-series or 5-series.)
7. EIRO Research will not provide any payments directly to car dealers or leasing companies for or on behalf of EIRO associates. Associates must independently meet credit requirements and provide any and all payments required, including any down payments.
8. Associates must submit a completed and signed lease or purchase agreement to EIRO Research prior to the 25th of the following month before bonuses can be issued. Bonuses will not be paid retroactively. (For example, if an associate qualifies for a 5-series bonus in September and has not submitted paperwork from the lease or purchase by October 25th, the bonus will not be paid with November monthly commission, and the next opportunity for qualification will be in October, paid with December monthly commission.)
9. To receive a car bonus, an approved EIRO Research window decal must be displayed on the vehicle.
10. If an associate purchases a used vehicle, it must be certified pre-owned and a model later than or including the model year 2006.
11. The leased or purchased vehicle must be the exterior color black to qualify for bonus.
12. If a lease is terminated or canceled, car bonuses will not be paid, regardless of qualification.
13. Bonuses will be paid through the EIRO Research global cash card.
